
BR1225 3.0 Volt Lithium Battery Replacement

Product price:

C\$6.07

Product short description:

High quality, BR1225 3.0 Volt Lithium Battery Replacement. Our products are shipped from Canada using fast reliable carriers including Canada Post, UPS, & FedEx. Check out our detailed product description for more information with regards to this product.

****This product is comprised of different chemistry than typical CR batteries. BR composition allows for a low drain battery with longer shelf lives than CR chemistry batteries, making BR batteries ideal for computer memory functions. These batteries may not function ideally as a direct replacement for CR battery****

Product features:

Capacity.: 48mAh
Chemistry.: Lithium / Manganese Dioxide (Li/MnO₂)
