Product short description:

High quality, 12V 7Ah, 12V 7.2Ah Replacement Alarm Battery. Our products are shipped from Canada using fast, reliable carriers, including Canada Post, UPS, & FedEx. Check out our detailed product description for more information concerning this product.

Please Note: This battery does not come with cables/adapters to connect to your specific device. Make sure that you order a battery with the correct size terminals. The battery is manufactured from an abs plastic casing.

- The 12V 7A/H battery is used in a variety of applications.
- The CB127 battery uses AGM Technology.
- It is a Maintenance-Free Design and, as such, is spill-proof.
- Please make sure that you check the dimensions of the battery you are replacing before ordering. Shipping is expensive and getting it right the first time is better.
