# R911277133 Battery for BOSCH Rexroth servo motor drive control systems 3.6V, 1200mAh - 4.32Wh

**Product price:**

**C\$26.31**

**Product short description:**

High quality, R911277133 Battery for BOSCH Rexroth servo motor drive control systems 3.6V, 1200mAh - 4.32Wh. Our products are shipped from Canada using fast reliable carriers including Canada Post, UPS, & FedEx. Check out our detailed product description for more information with regards to this product

**Product features:**

Capacity.: 1200mAh  
Chemistry.: Li-MnO2  
Length (mm).: na  
Height (mm).: na  
Width (mm).: na  
Voltage.: 3.6  
Our Part Number: LS-14250-RR  
Description: Canadian Batteries supplies high quality, R911277133 Batteries For Bosch Rexroth Servo Motor Drive Control Systems 3.6v, 1200mah - 4.32wh

**Product codes:**

Reference: LS-14250-RR
