
Apc Rbc110 Replacement Battery Cartridge 12v 9ah Backup Battery

Product price:

C\$46.24

Product short description:

Boost your UPS system's performance with the Apc RBC110 Replacement Battery Cartridge. This 12V 9Ah backup battery is the highest capacity in its form format, designed to be an exact equivalent to the original APC battery. With F2 style terminals, it's a simple replacement with only two connections to make. This maintenance-free, spill-proof battery is designed to last 3-5 years, ensuring your UPS system runs smoothly. Please note, cables/adapters are not included. With a 1-year warranty, this battery is a reliable choice for your UPS system.
