
Size 10 Energizer Hearing Aid Battery eight on a card

Product price:

C\$14.63

Product short description:

The Energizer Size 10 Hearing Aid Batteries come in an innovative EZ Turn & Lock packaging that dispenses batteries easily and safely. These mercury-free, zinc air batteries have a voltage of 1.4V and a capacity of 91 mAh, with a one-year warranty. The packaging is 100% recyclable, and the longer tabs make for easy installation. The batteries are suitable for all hearing aids using size 10 batteries and replace a wide range of battery models. Each card contains 8 batteries, with a no minimum purchase requirement. Energizer promises longevity and reliability for a superior hearing experience.
