
Size 13 Energizer Hearing Aid Battery eight on a card

Product price:

C\$14.63

Product short description:

Energizer's Size 13 Hearing Aid Batteries come in a pack of 8, featuring a long-lasting formula that offers up to 8 additional hours of wireless streaming compared to competitors. These batteries have a convenient EZ Turn & Lock package with extended orange tabs for easy handling and a 1-year warranty. With a voltage of 1.4V and a capacity of 280 mAh, these zinc-air button cells are designed to be durable and maintain their charge for up to 3 years when stored at room temperature. They're compatible with any hearing aid requiring size 13 batteries and replace a variety of battery models. Available in Canada, these batteries combine longevity with ease of use, ensuring users have a reliable power source for their hearing devices.
