# Size 675 Energizer Hearing Aid Battery eight on a card

**Product price:**

**C\$14.63**

**Product short description:**

The Energizer Size 675 Hearing Aid Batteries offer long-lasting performance with a pack of 8 batteries featuring blue tabs for easy identification. They are designed for ease of use, with a double-sided dial for secure storage and long tabs for simple handling and insertion. These 1.4V zinc air batteries have a 620mAh capacity and are engineered to provide reliable sound quality without leakage throughout their lifespan. Compatible with all hearing aids using size 675 batteries, they come in user-friendly retail packaging and have a 3-year shelf life, ensuring dependability and convenience. The batteries are also mercury-free and conform to ANSI standards.
